FOR IMMEDIATE RELEASE

“Saint Bernard's Campus Ministry Anxious to Begin Third Chair™ Campaign”

Fitchburg, MA – Campus Ministry students at Saint Bernard's Central Catholic High School have unveiled The Third Chair™ Campaign and are anxious to involve other Catholic Schools and Pro-Life organizations in their endeavor.

This program, as a reaction to the overwhelming number of infants who are lost each year in abortion, is designed to make people aware of the significance of the lives that are lost. On average, one in three pregnancies are ended by abortion each year.

Coverlets have been designed to be placed over a chair in a room, or a desk in a classroom. Each coverlet is inscribed with the words “I might have been...” and is followed by what the infant could have become had their life not been taken by abortion.

Saint Bernard's students are optimistic that the campaign will be aggressive and met with widespread participation by church and pro-life organizations.

For information on obtaining a coverlet, or for more information on the organization, please contact Mrs. Kathy Jordan at (978) 342-3212 x223
